

CalDisclosures

Your source for the disclosure forms and booklets  
required by the California Department of Real Estate

CAL DRE #00642780

---

CalDisclosures was created by Pete Saxon, a licensed California real estate broker with over thirty years experience. This CalDisclosures Adobe PDF document is intended to be a resource for anyone interested in the disclosure requirements required by the State of California when transferring residential (1 - 4 unit) real estate. Attorneys, escrow officers, for sale by owners and REALTORS have used CalDisclosures.

All the information included in this document is non-copyrighted material available from many different sources in the public domain. CalDisclosures has compiled all the information, forms and booklets in one Adobe Acrobat document for easy reference, printing and use. CalDisclosures is not selling individual forms or booklets. Rather, we are charging for gathering and compiling all the information in one document.

Users of the forms and booklets included in this documentation are solely responsible for the proper, accurate completion of each and for their timely delivery. CalDisclosures is not responsible for any disclosure representations included or excluded on any of the forms or booklets contained herein.
